Packing for Guests

1. Ask when would they like their bags packed.
2. Place luggage mat on floor underneath suitcase.

Packing for Guests

3. Heavier items such as shoes must be packed in a shoe bag on the side of the bag where the wheels are.

4. Then place tissue paper between each item of clothing. Try not to fold clothing. Place them all lying flat, the whole width of the bag. This prevents wrinkles

Packing for Guests

5. Small items such as underwear to go in to their own organza bag.

6. Once done, do not close the bag until guest says the bag can be taken to the tender for their departure.
